

# CLEAR my WARRANT

**Are you on probation, but haven't been checking in with the Pima County Adult Probation Department?**

## The "Clear My Warrant" program may be for you!

### What is it?

It's a way to cancel your probation violation warrant without going to jail. If you qualify, your warrant will be canceled, and you will resume probation without going to court.

### Sounds like a trick to put me in jail...

Not at all. You can call the Public Defender and they'll confirm. Their number is 520-724-6800.

### What's in it for me?

You won't have to stress about being arrested or thrown in jail. Without a warrant, you can get a better job, stop looking over your shoulder, and be a proud member of your community.

### I'm having a lot of problems right now...

Call us at 520-724-9868. We can help.

### How do I qualify?

You must:

- Be ready to continue probation
- Get back on track with your probation terms

You must not:

- Have a new felony or violent misdemeanor charge
- Have a warrant outside of Pima County

### If you're not sure, call us at 520-724-9868

We'll tell you if you have a warrant, if you qualify for the program, and answer any questions. You can also call the Public Defender at 520-724-6800.

### I won't serve any jail time?

If you qualify for the program, no. You'll be able to clear your warrant without going to jail.

### Will this work for other types of warrants? What about tickets?

No. We can only clear probation violation warrants with Pima County Adult Probation.
